

# SYNERGY MANTRAS & MEDITATIONS

## INSTRUCTIONS & EXPLANATIONS

The following mantras and meditations are a highly unique channeled series of NU AlchIME™ inspired “quantum formulations” designed to vibrationally harmonize and amplify the efficacy of the Synergy Sprays on a quantum level. The meditations are worded specifically in accordance with the understandings of NU AlchIME™ as the Quantum DIY Toolkit™—and foundation for the Law of Attraction—inviting your system to respond from a Luminous perspective beyond the “either-or” duality, for a more accurate **AND** duality—beyond “true and real experiences”—to what is Actuality...

Simply, these meditations, and the Synergy products, are in service to your desired preference, and help you *remember the truth of who you truly are.*
